

# ARES FULL FACE SPRAY SHIELD

FACE SHIELD

Ref. 3123

GENERAL

Full face shield made of 0.5 mm acetate. Certified for protection from splashes of liquids, it is particularly suitable for protection against biological risks. Compatible with all Ares series helmets. Can be easily installed and removed without the use of any tools.

Can be adapted to every face and can be worn with glasses. The action can be fine-tuned with screw tensioners on the sides.

Reusable: it can be washed and disinfected using 70% ethyl/isopropyl alcohol.

Certification:

- EN 166: protection against splashes of liquids.
